

LUFT CUBE

Portable Filterless Air Purifier

The Luft Cube is a compact personal air purifier that is a must-have for any busy professional. It comes equipped with the latest technology in air purifying technology: an eco-friendly reusable metal mesh filter and solid-state photocatalysis purification(SPP) nanotechnology. Pollutants such as molds, bacteria, odors, allergens, and fungus are broken down and deliver a better air quality that makes it a perfect accessory for the home, car, or office. Improve the quality of your life and get the Luft Cube.
